

## ABC Review of a Great Year

It is hard to believe that we are reaching the homestretch of the school year! On Monday, April 29 we will begin our letter review to the last day of school. Please follow the schedule for what we will be doing in class for each letter of the alphabet. These activities will make the last few weeks of school even more fun and exciting! Some of the activities will require something from home (stuffed animal day, clothing, etc.) Please contact me if you have any questions!
